

a DRIVE for DRIVES!

Flash drive, jump drive, thumb drive, whatever you call it, if you have one or two of these gadgets sitting unused in a drawer, we want them for the Homeless/At-Risk Transitional Students Program at San Francisco City College.

It is difficult for students who have no computer, no laptop, nor other high tech devices to keep homework organized and turn it in on time. Your unused flash drive can help a student succeed!

Please delete any files on the drive and send it to:
Chris Shaeffer, HARTS Box #SU205, City College of San Francisco, 50 Phelan Avenue, San Francisco, CA 94112.

For more info about the Drive drive, or to arrange for collection of flash drives, phone or email Karen Saginor: 415-452-5522, ksaginor@ccsf.edu.
